Combilift is exporter of the year

The Irish Exporters Association (IEA) has named Monaghan forklift manufacturer, Combilift, Exporter of the Year 2015 at the Export Industry Awards. Combilift exports lifting machinery to over 135 countries. The company is building a new €40m manufacturing facility and global headquarters in Monaghan which will create 200 new jobs and position Combilift to double its current €150m turnover by 2020.
