[www.irishexporters.ie](http://www.irishexporters.ie)

1. **Learn** how to more efficiently manage your dealings with EU customs
  2. **Understand** what documents are important to clear goods through EU customs controls
  3. **Learn** about EU Union Customs Code + customs modernisation, including Customs Centralised Clearance and Authorized Economic Operator (AEO) which are significant trade facilitation measures
  4. **Be aware** of the consequences of the submissions of Inaccurate data to EU customs (even by Third parties on your behalf)
  5. **Know how** to prepare for a **customs audit** and what to expect when Revenue request an audit of your business
- The training will be delivered by the IEA customs training team at: [Croke Consulting](#).
